Policies & Procedures:

February 2025 P&P Subcommittee Report for Area

- We now have a regular scheduled meeting time. It will be on the Wednesday before area at 7pm each month. This takes place virtually
- We focused in our subcommittee on short term goals
 - Fix typos and formatting
 - Making policy around the budget
 - Work with each subcommittee chair on the policy as it pertains to them and their subcommittee
 - Adding a Frequently Asked Questions section that covers things that are generally confusing to area (thinking of things like elections process, when can a position be voted for on the floor, when does a proposal go back to home groups, etc.)
- For our goal of having accurate subcommittee policies, we will be going to each subcommittee chair and presenting them with their current policy (for example clean time requirement, description of duties, etc.) and ask them what changes need to be made. They will have until next area to give us any requested changes or an approval of the current policy. At minimum they should include
 - Clean time requirement
 - Description of duties
 - How long the commitment is
 - Specify when the subcommittee meets
- We plan to do multiple smaller reviews of changes to policy instead of an approval for the entire document at once.

Next Meeting: MARCH 26TH 7PM
