**RCM:**

Hello family.

I attended the RCM meeting this month and have included the minutes with this report, as well as treasurer report. They have a zoom account we can use, we simply request it for the day and time. The only issue is we can not use it at the same time as another group. We simply send request for meeting info to regional chair, vice chair or secretary to obtain this.

WCNA is moving the World committee meeting to next year (2023) and has requested regions to extend current committee members (RD&RDA) to do the same to cut down on number of new people this next time. With that being said region is asking to keep Kevin D (RDA) and Mike P (RD) for the next cycle. The committee that was reviewing this issue to update policy had the same recommendation. We need to vote on keeping Kevin as RDA. Vote due in May. At this time Mike position doesn't expire until May of 2022 and after the virtual WCNA in April we will have a clearer idea of what is going on with world.

Reminder about KRSCNA convention in April. Please book your rooms if you haven't done so yet.

Sorry I am unable to attend in person, but I have some gunk I dont want to spread to you all. I will be attending virtually.
